Soft and comfortable bleach cleanable carpets which repel spills & stains, making them exceptionally easy to clean.

THE MINI TAHOE COLLECTION:

This elegant and sophisticated range is timeless in both its craft and tone. The six natural yet rich hues of the Mini Tahoe collection have been created in response to the most popular tonal, giving the luxury carpet range extended longevity.

These shades will never go out of style. Created from man-made fibres excellently worked to imitate the texture or real wool. Mini Tahoe is an exceptional value option for anyone requiring quality at the most affordable price point. The durability and robust composition of this range promises to keep its shape and form, even areas of the highest footfall.
