THE MONACO COLLECTION:

The Monaco range is the most high-end and luxurious carpet we've ever created. Described as the 'Roll Royce' of carpets. If you are looking for a carpet that is quite simply 'out of this world', then search no further.

Made to your specific dimensions and requirements, this collection can be supplied as fitted carpet or as an area rug. We also offer various finishes, such as runners bound with either linen, cotton, leather or faux suede tapes.

The Monaco range comes in a choice of four neutral colours. From glistening light 'Glacier', which lightens up smallest of spaces, to the sumptuous rich tones of 'Verdon'.
