eatonsquare.co.uk

With a random organic style, blending cut and loop pile textures to create a delicate light and dark tonal surface, Santorini is sumptuous under foot and striking to the eye. Featuring six modern neutral colours, from cream through to charcoal, Santorini is stocked in 4.00m widths and is also available in a bespoke made to measure area rug.

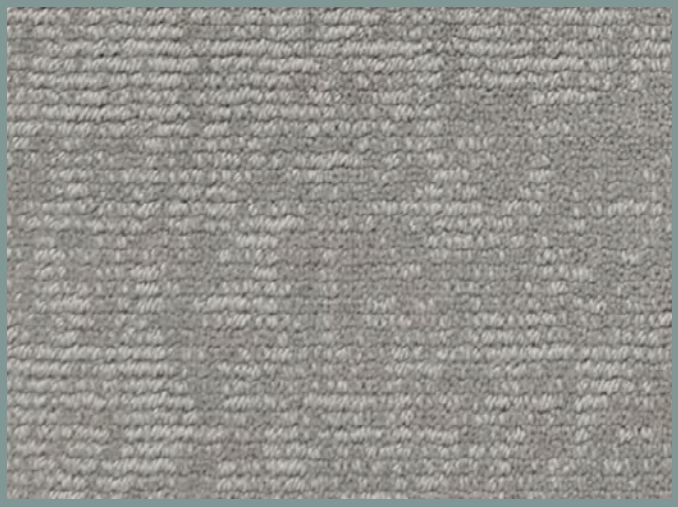

The core features of Santorini comply with Eaton Square's environmental and sustainability objectives. Made with pure wool and organic raw material.
