# THE SICILY COLLECTION

The Sicily Collection brings a new dimension of elegance to our luxury portfolio, crafted from the same exceptional fibres as our Manhattan, Mulberry, and Monaco ranges. Distinctly refined, Sicily is the slimmest option in the collection, offering a sleek, contemporary profile while retaining the indulgent softness of silk to the touch.

## THE SICILY COLLECTION:

The Sicily Collection is the epitome of subtle sophistication, offering a perfect balance of delicacy and durability. With its slim, elegant profile and silk-like softness underfoot, Sicily is designed for interiors that favour quiet refinement and timeless style. Its smooth, graceful surface creates an understated foundation that enhances a room's aesthetic without overwhelming it, making it an ideal choice for both contemporary and classic spaces.

Versatility lies at the heart of the collection. Whether crafted as a bespoke rug, an elegant runner, or a seamless wall-to-wall installation, each piece is tailored to exact specifications, ensuring a flawless fit and finish.

The palette has been thoughtfully developed to emphasise its enduring appeal. Available in seven harmonious neutral tones, Sicily offers a spectrum of shades that range from light and airy to rich and grounding—each carefully chosen to bring warmth, balance, and effortless elegance to any interior.
